Lions

The lion's year is quickly coming to an end. I think club members will analyze this year for many years to come. This year we have seen amazing project successes, Lions taking leadership roles in the district, and new faces. But we have also shared in a terrible tragedy that has caused us all to step back and examine our place within the club.

I think our new projects and new ideas for existing ones are our clubs future, and know Lion Laverne's death will create a new dedication in those members looking to build on the example his life of community service has taught us.

As your president I have been truly honoured to represent you. I have done my best to uphold the ideals that our club is founded on. Of course it has not been a perfect ride, I thank those members who have been my source of advice and support. I hope my presidency will withstand the test of time as you look back and reflect on the past 12 months.

Lions we are a very strong club we have much work to do and we have a wonderful team of lions to do the job. I ask that you throw your support behind King Lion elect Roseanne as I know she has the heart and desire to be a wonderful president to us. Best of luck Lion Roseanne; you know I will be here to support you as we continue the great work of our club.

Yours in Lionism

King Lion Kirk

District Governor's Newsletter

"Flying High With Lionism"

District N2

June, 2010

Dear Fellow Lions:

Since this is my last newsletter as your District Governor, I would like to take this opportunity to **THANK** each and every one of you for your Volunteering in Lionism. Remember our Motto "**WE SERVE**". You all have done an outstanding year in volunteering.

THANK YOU also to the family members for your support. We, volunteers, should always be grateful for your thoughtfulness and kindness. Without your understanding, less would be accomplished.

To the incoming District Governor, Lion Bobby Dean, and CST, PCC & PDG Ralph Williams, along with Cabinet Members and all other Clubs in District N2, I wish you great success and good health during 2010/11.

During my year 2009/10, I have done my best to maintain a positive attitude and follow the LCI Code of Ethics. Therefore, I believe that District N2 has accomplished a great deal in the direction to best serve those in need and why District N2 needs more Club unity, peace, tranquility, teamwork, fellowship, friendship and a greater mutual understanding.

I believe that a closer working relationship with our Club Membership and the need to have the same common goal – **to build up and not destroy**, is the key to a greater future.

Finally, I would like to thank my home Club, Coldbrook and District Lions, for your support and a special thanks to CST, Lion Wayne Little, who did an outstanding job all year for District N2.

I am proud to be a Lion Volunteer and a member of LCI and MDN.

Yours in Lionism,

DG Lion Mark

PROJECT REPORTS

VLRB - Sales are going well! Cookie Jar maxed at \$15,000 has increased interest in this project.

DRIVE-IN BINGO - Attendance and sales are in excess of previous years. Thanks to all Lions that braved the miserable weather.

VALLEY DRIVE-IN - Attendance is up as well as canteen sales. AVR staff support has been great and appreciated.

RUGBY FIELDS - are very active. A tournament will take place on July 3rd. Come out and help welcome players and supporters.

BREAKFAST - will be held June 19th. As usual, we need lots of help.

DANCE - Will be held on June 19th from 9p.m. to 1 a.m. Music by "Stable Country".

LEOS - Kings Leos will be hosting a sports event at CKRHS on Friday, June 11th. Five other Life Skills Groups from Annapolis Valley will attend. Thank you to King Lion Kirk and Valley Drive-in for the popcorn and cotton candy for this event.

APPLE BLOSSOM FESTIVAL PARADE (TRAILOR) - Great crowd and sufficient Lions helped make this another successful event. Thanks Lions.

CLOSING DINNER - King Lion Kirk has arranged a dinner at the Waterville Fire Hall, on June 18th, at 7 p.m.

LETTER FROM THE EDITOR

Dear Fellow Lions:

Looking back over our 2009/10 Lions year, I have seen many changes (all good) that have strengthened our presence within our local community and our Lions community.

Hall renovations have been completed in a professional manner without affecting our day-to-day usage. Although not complete, our hall is one to be proud of.

Valley Drive-in limited upgrades needed to carry out our much appreciated role in the community were done on time and done well. Great job Lion Tim and staff.

The outdoor rink was, by far, the best ice surface to date. Great job King Lion Kirk and Lions.

Kings Leos have had a wonderful start and I look forward to working with this group along with DG Mark in 2010/11. Wonderful group of youth.

Valley Lions Radio Bingo has added a new source to revenue as well as an added stress to our already busy workload. Lion George has done a stellar job in organizing this project. Please make yourself available on Monday evenings at AVR at 6:30 p.m., so that we have a bank of qualified Lions to operate this great new project. Congrats to KL Kirk on this one too!

Nice to see the fields surrounding the club in use again. Rugby will probable bring more attention to our hall and bar in the future.

Welcome to the new members that joined our club this year.

Thank you to any project that supplied information to The Lions Tale. I look forward to the year ahead. How can we top this one???

Yours in Lionism,

Lion Reg

JUST FOR FUN

1. Law of Mechanical Repair - After your hands become coated with grease, your nose will begin to itch & you'll have to pee.
2. Law of Gravity - Any tool, nut, bolt, screw, when dropped, will roll to the least accessible corner.
3. Law of Probability -The probability of being watched is directly proportional to the stupidity of your act.
4. Law of Random Numbers - If you dial a wrong number, you never get a busy signal & someone always answers.
5. Law of the Alibi - If you tell the boss you were late for work because you had a flat tire, the very next morning you will have a flat tire.
6. Variation Law - If you change lines (or traffic lanes), the one you were in will always move faster than the one you are in now (works every time).
7. Law of the Bath - When the body is fully immersed in water, the telephone rings.
8. Law of Close Encounters -The probability of meeting someone you know increases dramatically when you are with someone you don't want to be seen with.
9. Law of the Result - When you try to prove to someone that a machine won't work, it will.
10. Law of Biomechanics - The severity of the itch is inversely proportional to the reach.
11. Law of the Theater & Hockey Arena - At any event, the people whose seats are furthest from the aisle, always arrive last. They are the ones who will leave their seats several times to go for food, beer, or the toilet & who leave early before the end of the performance or the game is over.
The folks in the aisle seats come early, never move once, have long gangly legs or big bellies & stay to the bitter end of the performance. The aisle people also are very surly folk.
12. The Coffee Law - As soon as you sit down to a cup of hot coffee, your boss will ask you to do something which will last until the coffee is cold.
